

TS5

TREADMILL

For those who want the real health club feel, the TS5 is the home version of our award winning T8. Featuring the same non-folding frame and amazing 22" x 60" running surface, the TS5 offers the value, style, and performance of treadmills costing three times the price.

- Whisper quiet 3.0 HP DC drive motor provides unparalleled durability and reliability
- Extra Large 22" x 60" running surface enables a safe and comfortable workout
- Polar® wireless HR compatible. Use a Polar heart rate chest strap to readout your HR on the display console or interact with built-in HR control programming
- Quick Speed and Quick Incline Keys allow fast adjustments to the most common settings
- Orthopedic running belt provides a more comfortable, lower-impact workout experience
- Active-Flex suspension technology allows for a softer landing and firm push off for comfort and efficiency
